

ESG&Q policy

Continuous improvement

Environment

Climate focus

Provide solutions which give our customers a more carbon efficient choice

Contribute to the UN sustainability goals (SDG) by digitalising our services and product portfolio

Environmental impact

Continue mapping and managing our environmental impact by continuously monitoring activity & seeking improvements

Engage with our customer and supply chain to find solutions which reduce their carbon footprint

Social

Health and safety

Zero injuries is our overall objective & safety is our highest priority.

Line managers are responsible for the HSE of their teams

Our social commitment

Our people are committed to acting responsibly for their own and others safety – we have a duty of care to each other

Community investment

Use regional suppliers and support our local community where possible

Our people

Maintain a thriving work environment and inclusive culture

Governance

Ethical conduct

Treat our employees, customers, suppliers and other stakeholders ethically at all times

Governance

Comply with laws and regulations

Human rights

Conduct thorough investigations before committing to new business opportunities

Quality

Quality always

Strive to deliver quality in everything we do

Our quality commitment

Our people are committed to continuously focusing on improving the quality of our products and services across our value chain
